- intellectual-property
- universality
- global-local
- language & culture

2 Importance

- culture
- tradition
- discipline
- ethnicity
- society
- literacy

7 Assessment

- communication
- judgement
- planning
- progression
- continuity
- testing
- specialisation

1 Motivation

- fulfilment
- delight
- relevance
- curiosity
- economics
- expectation

8 Recognition

- reward
- accreditation
- standards
- qualification
- portfolio
- employment
- portability

Who can help me, and I them?

Where and **when**?

Which resources can help?

How do I come to know?

What have I achieved and what next?

What is there to be known?

How do I convince others?

Why do I want to know and share?

The Learner at the Centre
